Scenario	Intervention focus	Main restrictions
Public Coordination	Limited additions, ground release, and height redistribution on developer-labelled buildings; setbacks on public assets; courtyard access improvements for residents	Protected buildings and buildings with unknown stakeholder labels remain unchanged
Development Growth	Additions, ground release, and volume splitting on developer-labelled buildings	Residential buildings allow low-intensity access improvements; protected buildings and buildings with unknown labels remain unchanged
Residents and Heritage Priority	Ground release or height redistribution on developer-labelled buildings; low-intensity improvements to public assets and residential buildings	Intensive residential modifications are restricted; protected buildings and buildings with unknown labels remain unchanged
